CATAMOUNT SCHOOL REFERRAL FORM (2018-19)

Dear_____,
You have been listed as a reference for _____'s application to the Catamount School. We are asking you to complete this rubric to the best of your ability and knowledge. Expected growth is a standard where the student grows based on comparisons and expectations of the student's own potential. This is **not**, necessarily, dependent on being identified as proficient (at or above grade level) or not proficient (below grade level).
