

CREDIT BY EXAMINATION

A student may apply to be examined in any course identified by a department head as available for “*Credit by Examination*” (form is submitted after the examination has been completed). Students who make **4.0 (A) or 3.0 (B)** will receive credit. Those making **2.0 (C)** do not receive credit but are eligible for a waiver of a course requirement. With a **D or F**, credit may be earned only by regular enrollment during a subsequent semester. The **GPA will not be affected by the grade made on the examination**. All credit by examination attempts must be completed prior to the semester of graduation.

The examination procedure may be attempted only once for any one course. Students who have completed more than two collegiate courses in the field of study concerned may earn “*Credit by Examination*” only after securing written approval of the head of the department in which the course is offered. However, they may take the examination and secure a waiver of a curricular requirement by scoring a **2.0 (C) or higher**.

The fee for scheduling a course on a “*Credit by Examination*” basis is **\$15**. No fee will be assessed if the examination is being used to validate transfer credits or when the student is enrolled **full time** during a spring or fall semester.
