Instructors who choose to use the alternate exam time must notify the Registrar's Office three weeks prior to the exam date to prevent double booking exam rooms.

Important Notes:

Final exam room schedules can be viewed in R25. If your class is meeting in multiple classrooms you must verify which room was assigned for the exam. Some departments schedule empty classrooms during exam week for group study sessions. Use the R25 Webviewer to confirm your exam time/location.

All final exams are to be administered at their designated times and places during final exam week. Change in time of an examination for an entire class for any reason must be approved by the head of the department, by the dean of the college, the Provost, and the Chancellor.

No student is required to take more than two final exams on any one day. Any student who has three final exams scheduled on one day has the option of taking all three or submitting to the professors a written request for rescheduling. However, a request to have an examination rescheduled must be made in writing at least five days before the examination is scheduled.

Grades for all students are due in the Registrar's Office within 48 hours after the scheduled examination period, but no later than 10:00 a.m. on Monday, December 20, 2010.
