### Emergency Exits

Students, be aware of the emergency exits in your residence hall and the buildings where you have classes.

### Have a Plan

Students, make sure to let others know where you are going and have someone to call in case you need a ride home.

### Emergency Contact Information

Students, be sure that roommates and/or close friends know how to contact your family or other emergency contact and that your parents know how to contact your roommates and/or close friends in case of emergencies.

### University Health Services

Students, know the telephone number (828.227.7640) and location (Bird Building) of University Health Services.

### In Case of Emergency (ICE) contact in cellphone

Students, be sure to designate an ICE contact in your cell phone so that police/fire/EMS can contact your emergency contact if you cannot speak for yourself.

### Emergency Contacts in Residence Hall

Students, know the emergency contact information and responsible staff in case there is an emergency or other problem in the residence hall.

### Shelter in Place

In case of severe weather on campus, avoid: windows and areas where there might be flying glass, exterior walls, and rooms with high ceilings such as auditoriums. Try to get to one of the lowest levels in your building.

### Emergency Preparedness

Have an emergency kit that includes a flashlight, a weather radio, fresh batteries, non-perishable food, a first aid kit, and other items. A listing of essential kit items is available at [www.ready.gov](http://www.ready.gov).
