Convenience For the convenience of students throughout Western North Carolina, Western Carolina University has moved its Programs in Asheville to Biltmore Park Town Square. Choose from a range of undergraduate and graduate programs that can help you advance in your career, change direction, pursue professional development or simply satisfy your intellectual curiosity.

WCU's programs at Biltmore Park are designed for working adults, with most classes, continuing education and professional development events scheduled during the late afternoons, evenings and some weekends.

Faculty All WCU programs at Biltmore Park are taught by highly qualified faculty who are experts in their field. Many bring years of professional experience and research to their classrooms, and all are committed to the success of their students. Your advisor will meet with you, by appointment, to provide academic advice and help you stay on track for graduation.

Affordable Tuition As a member of the University of North Carolina system, WCU offers affordable tuition and a range of financial assistance for enrolled students, including competitive graduate assistantships, grants, fellowships and awards. Loans also are available.

Service Whether you are just thinking about taking classes or already have enrolled as a student, be sure to talk with the knowledgeable and courteous WCU staff at Biltmore Park. We are eager to answer your questions, provide information and guide you to the resources you need.

Quality Western Carolina University's academic programs are accredited by more than 50 state and national associations which uphold and promote the quality of graduate and undergraduate instruction. Therefore you can be sure any courses that you take meet or exceed the high standards established for a university education in your field. Information about the university's regional accreditation status is available at www.wcu.edu/10.asp.

Network WCU has been offering instruction in Asheville since 1937. Over the past 75 years, the choice of academic programs has been expanding to meet the needs of the community. Come see what it means to have a wide, informal network of faculty, staff, alumni and regional leaders to assist you in various ways, including internships, employment information, mentoring and more.

* Some coursework will need to be taken in Cullowhee.

** Professional Core courses required in all MAEd and MAT degree programs can be taken at Biltmore Park or online.
