RAMSEY CENTER

## Who we are

### **Mission**

The Center for Career and Professional Development's mission enhances the teaching and learning of students and alumni by supporting them in the development of self-awareness, identification and integration of career and academic goals with real-world experiences, and expansion and articulation of professional competencies to succeed in post-graduate experiences.

### **Vision**

To be regionally recognized as a provider of expertise on college student professional development and to connect students, faculty, and community partners for the economic development of our region.

### **Student Learning Outcomes**

- Solve a personal or academic career-related problem.
- Make meaningful connections between academic work and career choices.
- Learn to communicate more effectively as a job candidate or aspiring professional.
- Identify ways in which academic and co-curricular activity, work, and career experiences will benefit the campus, local or global community.
- Clarify purpose and values as they relate to career choices.
