Opportunities

JOB! Marketing for DoctorDirectory.com – Asheville, NC. Company info: Since 1996, DoctorDirectory.com has been the leading independent online directory for finding a healthcare professional by specialty. Every year there are approximately 900 million physician and patient appointments in the United States. Over 100 million of those patient appointments are first time appointments, and over 60 million of those happen without a referral from another physician or health plan. DoctorDirectory.com is a free service to healthcare professionals and their prospective patients. We assist patients with healthcare decisions by providing a powerful search engine, giving patients a helpful
tool to locate healthcare professionals and healthcare facilities as well as programs that assist in the management of their health. We support our members by providing marketing tools to generate patient visits, resources to improve practice management and patient care as well as opportunities to participate in market research and online sampling. **Positions:** seeking individuals skilled in social media marketing. **If interested,** send a resume to John Locke John.Locke@msj.org; candidates will be forwarded to the company.
