RE: Request Concerning Provost Decision for Reappointment

Currently the colleges are conducting resource and program reviews that may impact decisions concerning reappointment. The published reappointment schedule dictates the Dean’s recommendation to be communicated to the faculty candidate by Friday, February 4th. Based on the college discussions concerning “institutional needs and resources,” Deans may have submitted non-reappointment recommendations (Section 4.09 F; page 110 –Faculty Handbook). I am scheduled to communicate to candidates my final decision for reappointment by Monday, February 14th. I request an extension to March 30th in order to allow time for more definitive information from General Administration that could affect my decisions regarding reappointments.

I appreciate any consideration given this important matter.

Linda Seestedt-Stanford  
Interim Provost and Senior Vice Chancellor
