Western Carolina University has four separate but related faculty evaluation processes: annual faculty evaluation (AFE), reappointment (R), tenure and promotion (T/P) and post-tenure review (PTR). This section explains the purpose of each review, defines each of these processes, and explains the roles and responsibilities of all participants.

Full-time, part-time, and adjunct faculty are required to document their teaching, scholarship, and service as related to their primary responsibilities in the Faculty Activity Database. Reports from this database will be included in materials presented for Annual Faculty Evaluation, Reappointment, Tenure, Promotion, and Post-tenure Review.
