Hey I found your nose. It was in my business, again.
• What excuses do people give for not doing assessment?

....
Sample Myths

• Nobody uses the results
• External accountability is the most important goal of assessment
• Results are used to “point the finger.”
• It’s just a fad
• Too time- and resource-intensive
• Every outcome must be assessed every year
• Course grades are adequate indicators
Institutional Structure

- SLOAC
- OOAC
- Annual Reports
