

**INTRAMURAL SPORTS
ASSESSMENT PLAN
2008-09**

Mission Statement

The Intramural Department educates participants within a diverse community on the use of leisure time through development of lifetime sports skills. Intramural sports (structured) and sport clubs (interest groups) provide a wide range of opportunities which foster personal, educational and ethical development. The primary purposes are to offer programs which encourage morally and ethically responsible behavior, sportsmanship and cooperation at all times and to offer opportunities for personal development and the acquisition of leadership and management skills.
