

## Budget Update # 7

Currently, the House is working on its budget plans. Once those are complete and passed, the budget will move to the Senate. At this time, nothing has changed from the information that I have previously shared.

Please be aware that you will most likely hear a great many rumors regarding the budget. This happens even in the best of fiscal times, but it is much more likely in difficult times. Please take every rumor with a very healthy grain of salt.

Either Robert Edwards or I will share with you any actual information that we have based on actions of the legislature or the Governor.

Please let me know if you have any questions.

John
