This is an evidence-based program to help students learn to reduce their risk of drug and alcohol related problems throughout their life.

This is a 12 hour educational class. Cost is $25 for the workbook.

The classes will be on:
March 18, 20, 25, and 27
8:00-10:00am in the Bird Building 2nd floor room 224.

For more information contact Christy at 828-227-7469 or email at ckwyatt@wcu.edu. For curriculum information you can go to the website at Primeforlife.org.

Please register by March 6th.
