College of Education and Allied Professions Leadership Council

The CEAP Leadership Council met on Wednesday, May 20, 2015, at 9:30 a.m. in Killian 202.

Absent:  K. Corzine, D. Grube

Minutes:  Motion and second to approve the minutes dated 5/6/2015 passed unanimously.

Announcements:

Windy Gordon is the recipient of the Faculty Award for Excellence in Student Services given by WCU’s Division of Student Services.

CEAP now has an Instagram account. Photos are being posted by students traveling with Dan Grube and Nancy Luke from Germany. Lee can provide access to the account for students engaged in activities which they would like to post to Instagram.

AACTE is holding a free webinar today at 1:00 pm on Twitter for Education.

Alvin is a part of a task force, chaired by Lowell Davis and Leroy Kauffman, reviewing guidelines for accessing priority registration. The proposal will soon be sent to department heads and would limit access to priority within groups; i.e., access for juniors within junior status students and not ahead of seniors. This may serve as a reset for registration priority already in place.

Dean’s Report

- Budgets – House budget proposals have been put forward. The funding for the WCU’s new science building, listed in the governor’s proposal, was not listed in the house budget.
- Contracts for fall adjuncts should be submitted so that continuing adjuncts will not lose email access at the end of May.
- Travel pre-authorizations should be completed prior to travel.
- The timeline for the PsyD proposal is up in the air due to other priorities ahead of this proposal.
- Interviewing for several positions continue across campus, including: Dean of Library, Chief Diversity Officer, Honors College Dean, Advising Center candidates and Director of Career Services.

Search Committees

One Health Liberal Studies instructor position has been filled. Additional candidates are interviewing for the second position.

Two candidates will be interviewing for the Clinic Director position in June.

One of the B-K tenure-track positions has been filled. The other position remains open.
Business Items

Assessment Committee recommendations from Climate Survey Results

Renee

The Assessment Committee has made two recommendations regarding the climate survey:

- Formalize a mentoring process for the College.
  - Dale mentioned that “onboarding” is a part of the mentoring process. The council members will engage in a further discussion on this topic.
- Build community across the college.
  - Possibly hold monthly social gatherings and include food.

NCTQ Study

Dale

National Council on Teacher Quality has been in operation for a long time. This organization rates both institutions and states on their preparation of teacher candidates. Most institutions are not rated well. In the past information requests sent to WCU have been referred to legal counsel. UNC GA has entered into an agreement with NCTQ to study, compare, and validate UNC system school teacher performance ratings to NCTQ ratings. Dale provided a copy of *Summary data of NCTQ Value-Added and Evaluation Rating Results* which were released recently by the Education Policy Initiative at Carolina.

NC New Teacher Support

Dale

The North Carolina New Teacher Support network has assigned support to Asheville Middle School, and Yancey and McDowell County Schools. School systems are being asked to contribute $2000 to support instructional coaches. GEAR UP will continue. Dale has been in conversation with other school systems to assess interest.

At a recent Beginning Teachers coordinators’ meeting, it was noted that Haywood County expects to have more than 50 new teachers next fall.

Dale asked for feedback on how we can keep up with our graduates and provide support post-graduation. Psychology keeps in touch more so with graduate students. Human Services contact is primarily reference based. Dale asked that program advisory groups be tasked with exploring student contact post-graduation. Dale would like for CEAP capstone courses to invite him to speak to students so that contact can be made prior to graduation. The Psychology Colloquium provides a venue for presenting research and an opportunity for connections between students, faculty and others. This is one type of opportunity type that could be expanded to other programs.

CAEP Meetings for Fall Pre-visit

Kim

Gearing up for fall CAEP visit, there will be a few logistics/informational meeting opportunities for faculty and staff. Kim suggested 10:00 AM, Friday, August 21 or Monday 24 and a second meeting Friday, September 18 or Monday, September 21. Fridays were deemed to be a better day.

Interview with Phyllis Robertson for Interim DH for Human Services

All

Leadership Council members met with Phyllis Robertson who is interviewing for Interim Department Head in Human Services.
