Students participating from:

School of Education at NC Agricultural & Technical State University
and the
College of Education and Allied Professions at WCU

The goals of the RUE include providing teacher-education students at WCU substantial field experience in urban communities where they interact with P-12 students from diverse ethnic, racial, socioeconomic and language groups. This program also supplies teacher-education students at A&T with significant field experience with students in rural communities.

In addition, the RUE provides students at WCU and A&T opportunities to work with university and public school faculty who provide valuable skills and preparation for working with diverse students in our schools. For more information, contact Pam Buskey (227-3342, pbuskey@email.wcu.edu, John Habel (227-3367, habel@email.wcu.edu), or Rus Binkley (227-3349, rbinkley@email.wcu.edu).

Please join us for this event, announce it to your students, and encourage them to attend.

KL 102 | 5:00 – 6:00 PM
