Renee asked Janice to give an update on the Chancellor's TaskForce Luncheon. She said that it would be in the spring before the luncheon would take place with superintendents. Possible topics of discussion might include professional development and technology for school professionals.

Renee presented Lee Nickles who prepared a professional development presentation for the Directors on Facebook, Twitter, Blogs, Podcasting, and the calendar feature in R25. Lee gave examples of how to use the technology and mentioned that new technologies are reviewed and listed on his blog which would also assist the Directors. At the end of the presentation, Jackie Smith made a recommendation to continue the professional development presentation at our next meeting to include flip phones and videotaping and podcasting. There being no further discussion, the meeting was dismissed at 2:30 PM.
