RE: Campus Rationalization Letter

I am pleased to inform you that your letter of rationalization regarding teacher education on your campus has been carefully reviewed and accepted in response to the request from President Bowles. The areas you have identified will be monitored on an annual basis. We hope the key efficiencies and resource re-allocations that you have identified will help to ensure that your institution is more productive and supportive of teacher preparation and development.

We appreciate the time and effort you put into completing this arduous but necessary task. If you have any questions, please contact me.
