Five More Weeks To Go!

Okay, so, more like six if you include this week. But you get the idea. Graduation and finals are quickly approaching! You know the deal with that by now... long days and late nights spent studying or writing papers. Now that we’ve depressed you, we want to let you know about some FUN events that are happening this month, and are designed to reduce the stress associated with those papers and exams. You’ll find a few of them in this newsletter, but keep in mind there are several more events occurring that are not in this newsletter, so keep an eye out!

Speaking of fun, you’re going to Village Palooza on Saturday, April 26th right behind Norton Road Hall, right? Sure, Trinidad James will be performing, but we’ve actually got an all-day lineup of headliners just for you! More information is below. There are some other concerts happening, like Kacey Musgraves on April 9th. Plus, annual events like Relay for Life and Tuck River Cleanup all happen this month. You get the idea… there’s a lot going on this month to keep you busy! While we want you to finish this semester strong and focus on your academics, you know it’s important to take some time for yourself and have fun. So, work hard on those papers and exams for the next few weeks while taking some time to relax and unwind too.

Come see us if we can help. You might get a free t-shirt and wristband if you do (hint)...
11-12 — Relay for Life
LMP Movie: American Hustle

attendance. So come on out to Norton Field on the 26th, bring a lawn chair (you’ve got one, right?), some friends (for sure!), and some fun spirit (definitely!), and get ready for an all-day concert on the 26th! More information will be posted around campus soon, so be on the lookout!

**No Stressin’ Before The Test**
Since we know you’ll be spending a lot of time in the library during the last week of April (and speaking of which, it’ll be open 24 hours beginning April 27th), the technology commons wants to make it fun for you. Join them for their No Stressin’ Before The Test event on Wednesday, April 30th from 11 AM - 4 PM. They’ll have a cookout with free food, games, and prizes just outside the library. Plus, a scavenger hunt starts this Wednesday, which allows you to win a PS4 or JAMBOX! Follow #NoStressinWCU on twitter for more information!

**Whee Takeover**
Be on the lookout for information about Whee Takeover! This event is designed to help you relieve some of that stress when it comes to those final exams and papers. During exam week, the 2nd and 3rd floors of the UC will be transformed into nonstop fun centers! Enjoy free food, fun, and more! See you during exam week!

**SGA Elections**
So, have you noticed an uptick in campaign posters all around campus this week? There’s a reason for that... SGA elections are next week! Take this week to get to know all the SGA candidates. Find out where they stand on issues that are important to you. Remember, they have an opportunity to influence what happens here at WCU, ranging from parking fees to grades, so make sure you’re informed with who you want to represent you! Voting is this upcoming Monday and Tuesday!

**Tuck River Cleanup**
Don’t forget! Tuck River Cleanup is right around the corner. This year, it’s happening Saturday, April 12th. It’s the nation’s largest single-day river cleanup, with almost 1,000 volunteers pitching in to clean 27 miles of river and remove 3-5 tons of garbage from the Tuckaseegee River.

You can be a part of this effort by showing up at 11 AM on this day. It’s FREE, and includes food, games, and prizes! Check out the event page for more information!

**Relay for Life**
We also want you to keep Relay in Life in mind. It’s happening Friday, April 11th at 6 PM until Saturday, April 12th at 6 AM on the UC Lawn. This great event honors cancer survivors, raises awareness about what can be done to reduce cancer risks, and raises money to help the American Cancer Society fight this disease. For more information on how to get started, click here.

**Battle of the Plug**
Battle of the Plug is a three-week energy conservation rivalry contest inside the Campus Conservation Nationals competition. WCU will measure to see which campus residence hall saves the greatest percentage of energy, as well as how the percent of energy reduction overall compares with about 200 other institutions, including Appalachian State. To see how we are doing, please visit buildingdashboard.net/wcu.
