CRC RESOLUTION 2: CLARIFICATION OF PTR TIMETABLE AND DENIAL OF PROMOTION

Whereas, the language in FH 4.08 does not clearly explain the timeline and procedure for post-tenure review in cases when a candidate applies for and is denied promotion, and;

Be it resolved that, the Collegial Review Council recommends that the following clarification be made to the Faculty Handbook, 4.08 C. The new language is in bold, underlined type.

4.08 Post-Tenure Review

C. Timetable

A tenured faculty member may elect to undergo PTR during any academic year. Faculty for whom PTR is required must undergo a review no later than the fifth academic year following the most recent of any of the following review events: award of tenure or promotion at Western Carolina University, prior post-tenure review, or return to faculty status following administrative service. 

Candidates who are denied promotion in the required PTR year must submit PTR materials no later than the following academic year. Exceptions shall be made in the following cases: 1) when on leave from duties, that period shall not be included as part of the five years between mandatory review events and/or 2) when temporarily assigned to duties away from Cullowhee/Asheville during the period of a required review, PTR occurs upon return. In the event of serious illness, childbirth or other compelling reasons, the PTR timetable may be extended by the Provost through a university process established, in consultation with and endorsed by the Faculty Senate, and approved by the Chancellor.
