

Exceptional Children need Exceptional Teachers

Earn your M.A.T. online through Western Carolina University

- Program leads to licensure in mental retardation/learning disabilities or behavior disorders
- Great opportunity for unlicensed special education teachers to obtain licensure and a master's degree
- Cohort model
- Course design based on Bransford, Brown, & Cocking's "How People Learn" framework
- Ongoing professional development through an online support network
- Opportunities to collaborate with other special education professionals and showcase their work
