

Special Studies Program Form for Honors Students

This form pertains only to Honors students who wish to pursue the Special Studies degree (BA or BS). For more information about the Special Studies Program, consult The Honors College website and the undergraduate catalog.

Warning to Students: Given the nature of Special Studies—customized—degrees, changes in degree requirements are almost impossible after the BA or BS is approved.

Name of student: _____
Please print

Student ID Number: 920 _____

Date: _____

Primary Advisor: _____
Please print

Title of Special Studies degree: (example: BS, “Computer Communications”)

Please print

The Special Studies degree proposal is **attached**, including a brief statement on how the proposed program will meet the student’s plans after graduation (career or graduate school) and a list of all courses (including Liberal Studies program) totaling at least 120 hours to complete the degree.

Approval signatures:

Student/date: “I understand that I must complete all of the courses listed in the attachment to complete the Special Studies degree.”
