Eligibility rules for Intramural sports are designed to provide an opportunity for everyone to participate in a safe, balanced, and fair competition. The rules listed below cannot provide for all possibilities; therefore, the Intramural staff reserves the right to rule on the eligibility status of participants not covered specifically by the following rules. It is important that all participants observe the rules equally so that no team or individual may gain an advantage over those abiding by the rules. Each participant is responsible for the verification of his/her own eligibility. Each team manager is responsible for the eligibility of his/her team members.

A. All participants must be current WCU undergraduate, graduate, faculty/staff, faculty/staff spouses and domestic partners
   a. Student and Faculty/Staff spouses and domestic partners must obtain a CatCard and pay $10 per semester to Campus Recreation and Wellness to participate
C. An individual may not participate for more than one team within a division in a given sport. For example: a male may not play in Men's Competitive league and Men's Rec league, but is allowed to play on a Men's team and a Co-Rec team.
D. Any person who is a member of a varsity or junior varsity squad, red shirt freshmen, practice squad, walk on, shall not be eligible to participate in that sport or corresponding sports. (see participant handbook). Varsity athletes are considered as such during the entire academic year.
E. Varsity athletes may compete in non-corresponding sports however the number of varsity athletes allowed on each team is limited in each sport.
F. Club sports athletes are identified as those appearing on the club sport roster or waiver form. They are still considered as such one semester after they last appear on the roster or waiver.
G. In order to participate for a fraternity or sorority an individual must be associated with that organization as a member or member going through process

C. Teams arriving late for a scheduled contest, but within the 10 minute forfeit time, will be assessed a penalty (see rules below for penalty)

D. If neither of the teams arrives by the scheduled game time, the game will be recorded as a double forfeit and each team will be given a loss and a forfeit on their record.

E. If a team has two forfeits, or two defaults, or one forfeit and one default, they are dropped from further competition.

F. Playing with ineligible players will result in a team receiving a forfeit

D. Females must complete or receive the ball in front of the scrimmage line in order to open the play up.
E. The penalty for an illegal forward pass is five yards from the spot where the pass is released, and a loss of down. One example of an illegal forward pass is the second consecutive male-to-male completed forward pass.
F. Any foul, whether accepted or declined, will have no effect on whether the next forward pass completion is “open” or “closed.”

   C. If a team is up by 46 points or more anytime in the second half, the game is over.

VII. Illegal Forward Pass
   A. The term “closed,” means a male player may not throw a forward pass completion to any other male player. The term “open” means any player can complete a forward pass to any other player.
   B. During the offensive team’s possession there may not be two consecutive forward pass completions from a male passer to a male receiver. This rule also applies for all try (point after touchdown) attempts. If the previous scoring play was male to male, the try will be closed.
   C. If a male passer completes a forward pass to a male receiver, the next forward pass completion must involve either a female passer or female receiver for positive yards. The spot where the ball becomes dead by rule must be beyond the offensive
team’s scrimmage line (marked by the orange disc). There is no foul for a female receiver being de-flagged behind the offensive scrimmage line. The next forward pass completion remains “closed.”.

D. If a female passer completes a forward pass to a male receiver behind the scrimmage line who then runs beyond this scrimmage line, it is an illegal forward pass. Penalty: Illegal forward pass 5 yards from the spot where the pass is released, and a loss of down.

E. One example of an illegal forward pass is the second consecutive male to male completed forward pass.

F. Any foul, whether accepted or declined, will have no effect on whether the next forward pass completion is “open” or “closed.”

D. Females have no limitations on their advancement behind or beyond the line of scrimmage.

Enforcement of Penalties

I. Penalty Enforcement at the basic spot

A. Pass play or during the punt (see exception below: basic enforcement spot is the scrimmage line (where ball was snapped)

B. Post Scrimmage Kick Foul: Any foul by the receiving team on its side of the expanded neutral zone prior to the end of the kick, the receiving team shall retain possession of the ball. The basic spot is the spot at which the kick ends and the penalty will be enforced using the “all but one principle”

C. On all running plays: basic enforcement spot is the end of the run.

D. All fouls are marked from the basic enforcement spot (Exception: An offensive foul behind the basic enforcement spot which becomes a spot foul, or the “all but one principle”).

E. The only exception to the above regulations is roughing the passer; this penalty will be added on to the end result of the play.

F. If there is a foul by the offensive team, other than unsportsmanlike or non player, during a down which results in a successful touchdown or try. The acceptance of the penalty nullifies the score.
