The CEAP Leadership Council met on Friday, December 5, 2008 at 8:30 a.m. in Killian 218.

**Members absent:** J. Holt, E. Franklin, J. Smith

**Others present:** Larry Hammer, M. Rompf

**Announcements:**
CEAP holiday luncheon will be today at 11:30.

Michael thanked Dale for his exemplary service to the college as Associate Dean these past 10.5 years.

**Minutes**
Motion and second to approve the minutes of the November 21, 2008 meeting. Motion passed.

**Guest Speaker**

*Larry Hammer, Registrar*
Larry met with the CEAP Department Heads and Deans to discuss the importance of the online degree audit in light of the application for graduation process going live in February.

The directors joined the meeting at 9:00 a.m.

**Dean’s Report**
Michael reported the following:
- Thank you for excellent meetings on planning for permanent budget reductions.
- Spring Opening Semester Meeting - January 8, 2008, 1:30 PM

**Discussion**

*Graduate Assistantship Requests*

Council Members

Mary

A spreadsheet has been sent to the department heads for submitting graduate assistantship requests. Department requests are to be sent to Mary by January 12th. The Dean will review and a college-wide request will be sent to Scott Higgins by January 16th from the Dean’s office.

*Teacher Education Interview Alternative*

Dale

We will not be doing teacher education interviews next semester. Four meetings have been held to discuss what we will do in lieu of the interview. Dale reviewed a handout outlining four proposals to replace the teacher education interview. The four proposals were approved by the PEC earlier this week. Dale made a motion for the council to endorse the proposals/policy as put forward. The motion was seconded and passed. The council also provided Dale with some additional guidance and input that he will take to
the next meeting of the group working on the alternative. The group will be working on procedures/implementation of the policy.

*PEC Bylaws*  
_A copy of the bylaws was distributed to the council that includes track-changes to the by-laws. Dale reviewed the changes which more accurately reflect the operating procedures of the PEC. A motion and second was made to accept the bylaws as presented to the Leadership Council. The motion passed._

*Process for Addressing Concerns About Candidate Dispositions*  
_Dale provided the leadership council with history of the development of a policy to address concerns about candidate dispositions. A written policy proposal has been developed in concert with legal counsel. It was approved by the PEC this week. A motion and second was made for the Leadership Council to approve the policy as endorsed by the PEC. The council discussed the policy. The motion passed._

*Digital Measures Software*  
_Renee serves on the digital measures software task force. This software is faculty load related and does not have student use. Renee provided the council with handouts for the council to review. If there are requests from the college for reports or data fields that should be incorporated into the software, please provide feedback to Renee. This software can be tailored to capture data for NCATE and faculty reporting. Department heads may wish to have a dialogue with the task force to eliminate duplication of faculty reporting. Michael asked Renee to send an email to leadership with her thoughts for the use of digital measures so that department heads can share this with faculty._

*CEAP Student Satisfaction Survey*  
_Renee reviewed student satisfaction data with the council. Renee also reported that based on the data, efforts are being made to improve the information flow to transfer students and a proposal has been put forth to reduce the cost of Task Stream to our students. Michael asked that the council to communicate this information to faculty and staff._
