Faculty Scholarship Celebration

2011

Western Carolina University
This year is the 22nd consecutive year that Hunter Library will showcase faculty scholarly works through an annual exhibition. Every year, more and more people bring their works to the library, allowing us to celebrate their achievement and to share their scholarly contributions with the whole campus.

This year's exhibit showcases faculty achievements during 2010 and demonstrates the depth, strength, and overall excellence of our faculty's contributions to human knowledge and understanding, as well as their keen desire to share these intellectual gifts with others.

It is hoped that the exhibit will continue to awe, to awaken, to inspire, and to keep the light of truth burning in us all.
