## Announcements

**MBA Curriculum Update** –The final stage is to go through Faculty Senate this week, and then have the Registrar’s office get the curriculum published and set up for registration. Hopefully that will be before the end of next week. Please keep an eye out for emails letting you know as soon as registration is available. After grades are in for the current semester, the MBA office will send individualized recommendations to each student. If you disagree with the recommendations or agree but would still like an advising appointment, the MBA director will be available for individual meetings.

**Graduation** – Don’t forget to order your regalia from the bookstore! It can be delivered to Karpen Hall, but must be ordered ASAP. Graduation is an open event (no tickets), so all family and friends are welcome to attend.
