

***Friends of Music***  
**Membership Application**

Friends of Music is an organization whose purpose is to assist the School of Music in building an audience for music programs and in securing music student scholarship funds. All membership fees are placed in a University Foundation Music Student Scholarship account.

The School of Music has an exciting vision: to provide \$100,000 in scholarship funds to music students each year. This level of funding is absolutely essential in order to attract the highest quality students. While the School of Music has several small endowments that provide modest scholarships in addition to support from the University, the total amount available is not sufficient to meet the needs of our students. You may have received scholarships yourself to help pay for your education; now you can help the next generation. Consider your contribution an investment, not only in our cultural heritage but also in our cultural future. Please join us in this worthy campaign.
