**Notice to All Buncombe County Internship or Student Teaching Applicants**

A completed NC Health Examination Certificate must be submitted with your internship or student teaching application for your request to be forwarded for consideration by Buncombe County School District. The Office of Field Experiences is not set up to store HIPPA information, but as a courtesy, your Health Examination Certificate will be collected and forwarded to Buncombe County. To enable OFE to assist you in this manner, please complete, sign, and date the statement below.

---

I, \_\_\_\_\_, understand that I am submitting my Health Examination Certificate to the WCU Office of Field Experiences for the sole purpose of facilitating consideration of my request to intern or student teach in Buncombe County. I understand that this form will be forwarded to Buncombe County, and that a copy **WILL NOT** be stored in OFE. It is my responsibility to make and keep my own copies of all documents for my records.
