

School Visitation Log – For Spring 2012 Semester Applications

Name: _____ Student ID# _____

It is recommended that you visit at least three schools. ELEM/MG students may substitute one block day to complete visitations

School* (Important – some schools will not accept students who have not previously visited.)	Date Visited	Person met with:	Preference Rank (placement not guaranteed**)

Exempt from this form: Candidates working in the same school where they will complete Internship/Student Teaching/Special Education Practicum should list only this school on application form. Site Supervisor Form, including principal’s signature, must accompany application.

*If requesting to work with a specific teacher, please list the name here as well.

Candidate preferences are only one of a multitude of factors that go into the final placement. Also involved are budget and time constraints of university supervisors, availability of qualified teachers, school system policies, and other factors. Note that while teachers are consulted in the placement process, **final placement decisions are made by the principal and/or central office personnel depending on the school system.
