WCU requires that at least 25% (30 hours) of a student’s upper-level* coursework be through WCU. Part of the 25% is from the 12 RN to BSN program courses (24 hours). Part of the 25% is from a WCU Upper Level Perspectives elective (3 hours). Part of the 25% is made up from 1-2 WCU Upper Level Elective courses (3-6 hours), depending on the student’s number of credits transferred into WCU.

* Upper-level is 300-400 level courses
