Department Mission Statement (include date of last revision):

The primary mission of the Western Carolina University Health Center is to provide uncomplicated access to quality health care provided by compassionate staff who is dedicated to making health care accessible and affordable for students. To promote personal, social, and intellectual development and well-being that meet the health needs for a diverse campus community through ethically sound practice, confidentiality, and integrity. Our purpose is directed toward enhancing the student's educational experience by modifying or removing healthcare barriers to learning, promoting optimal wellness, and enabling individuals to make informed decisions about health related concerns. We strive to empower students to be self-directed and well-informed consumers of health care services.

Intended Outcome:	Assessment Method(s)	Assessment Results	Improvements Based on Results	Timeline for Implementation	Resources Needed
