

## Worksheet for Ensuring a Meaningful Academic Success Center Experience

The goal of this activity is to ensure that your tutoring session is a positive and productive experience. Based on your classes this semester, identify an Academic Success Center that can help you with an assignment, a test, or your overall understanding of the course material. If you need help identifying the appropriate center, visit <http://success.wcu.edu> to learn more about the tutoring services offered in each center.

Name of Center: \_\_\_\_\_ Visit Reason: \_\_\_\_\_

### Questions to Answer Before the Visit:

- What do you hope to gain from this experience?
  
- What information will be helpful for the tutor to know?
  
- How will you prepare for this session?
  
- What will you take with you to the session (a homework or paper assignment, a list of questions you have about the material, your textbook, your class notes, etc)?

### Questions to Answer After the Visit:

- What did you gain from your experience?
  
- What suggestions would you give to your fellow students to help them prepare for a successful visit to this center?
