

EXIT INTERVIEW

Congratulations on being almost finished with your English degree here at Western! We would like feedback from you on your experiences in the English Department so that we can continue to improve our programs.

English Major Concentration:

Years at Western:

Why did you choose to major in English?

Why did you choose your particular concentration?

What were some of your best experiences with the English Department at Western?

Which two or three classes were particularly useful to you and why?

What did the small class size add to your educational experience?

What skills and knowledge have you gained from this program? Are there skills or knowledge you wish you had gained but did not?

Were you involved with the English Department outside of classes, i.e. the English Club, the Literary Festival, study abroad? If so, what did those experiences add to your education at Western?

What do you feel are the department's strengths?

What could we improve?
