- Margie Boyd, Cullowhee Presbyterian
- Jay Hinton, Wesley Foundation
- Dick O’Brien, Double Springs Church of God

Staff:
- Jane Adams-Dunford
- James Felton
- Sam Miller
- Shawna Young

WCU supports our local faith communities and offers access to campus in the following ways:

- CatCard office will issue ministers CatCards with 720#
- Parking will issue visitors parking permits to ministers who advise recognized student organizations
- Library access
- Membership to Campus Recreation Center at faculty/staff fee for ministers who advise recognized student organizations
- Listing of known faith communities on University Center website
- Invited to participate in Valley Ballyhoo
- Support for religiously affiliated student organizations
- Display boards in the UC (sounds like we need a better system for access)
- Invited to participate in Orientation Information Fair

Additional ways WCU could support the faith communities:

- Support the creation of an Association of Campus Ministers – this would ease access to campus benefits
- Coordinate with Intercultural Affairs (ICA) to collaborate on delivering programs/discussions related to faith (i.e., Soul Café)
- Assist in marketing events and activities including service projects that need student participation
- Provide ministers contact information for alumni who participated in the student organization related to their ministry
- Include faith communities in the emergency response protocol
- Identify a staff member to contact when there are questions regarding SGA and policies related to student organizations
