

College of Education & Allied Professions
Program Goals and Student Learning Outcomes
As of 07/21/2006

Department: Educational Leadership & Foundations
Program: M.A.Ed. Educational Supervision

Program Goals:

1. Prepare innovative effective curriculum and instruction leaders for schools in North Carolina and the world.
2. Provide a flexible curriculum based on student experiences and needs.
3. Provide concentrations in international education, North Carolina education, and instructional technology.

Student Learning Outcomes:

A M.A.Ed. in Educational Supervision graduate is an educational leader who has the knowledge and ability to promote the success of all students and is able to:

1. Facilitate the development, articulation, implementation, and stewardship of a district vision of learning supported by the school community.
2. Promote a positive school culture by providing an effective instructional program, applying best practice to students learning and designing comprehensive professional growth plans for staff.
3. Manage the organization, operations and resources in a way that promotes a safe, efficient and effective learning environment.
4. Collaborate with families and other community members
5. Respond to diverse community interests and needs
6. Mobilize community resources.
7. Act with integrity, fairly and in an ethical manner.
8. Understand, respond to, and influence the larger political, social, economic, legal and cultural context.
9. Complete an internship that provides significant opportunities for candidates to synthesize and apply the knowledge and practice and develop the skills in the goals based-work in real settings, planned and guided cooperatively by the institution and school district personnel for graduate credit.
