WCU Student Volunteer Opportunities

Food Pantry Support

Thursday or Friday afternoons at the Cullowhee Methodist Church. Meet Vecinos Staff at church and unload/repack boxes. Reload van and deliver to local families.

**If someone were willing to drive and had an appropriate vehicle (truck or van), he or she could help with deliveries or with pick-up from Manna Food Bank in Asheville.

Evening Clinic Support

Wednesday Evenings, 5:30-9:30 pm. We can use 1 or 2 people during clinic hours to greet patients as they arrive and keep a sign-in sheet. This will be a good time to connect with some of our patients.

Toiletry Bag-Making Party

We will host 1 or 2 days in the spring for all volunteers who want to help us pack toiletry bags. We set up an assembly line at the Cullowhee Methodist Church and make bags to give to patients.

Fundraising

We always need help raising money! (And goods.) Help us organize a fundraiser. We welcome new ideas, or help us with our annual spring fundraiser. Ask local churches for donations: non-perishable food, toys, books, new toiletry items, household items, etc. We try to collect most household stuff in the spring to give out at our spring clinic.

Tutoring/Mentoring for Farmworker Children

This is not something we are currently doing, but it is something I would like to start. Updates to come. Ideas welcome!
