Commencements

Each full-time faculty member (Tenured and Tenure-Track) is expected to attend commencement ceremonies, in academic regalia, at least once a year. About one third of the faculty is expected to attend each of the three commencements. Please sign up under one of the commencement dates below, keeping the lists even by not exceeding the spaces under each. Faculty line up about 45 minutes before the ceremony begins. Visiting Assistant Professors and Visiting Lecturers are excused, but are welcome to attend if they wish.
