

Collaborate:

A series of campus conversations

Enhance Campus Diversity

Questions to Consider:

- What does diversity look like at WCU in the next decade?
- How will we know we have succeeded in diversifying our university?
- How will we demonstrate in our daily personal and professional lives, the value of diversity at WCU and in our region?
- How will we support the Chief Diversity officer to help WCU be successful?
- How do we understand our own culture in relation to other counties and their cultures?
- How do we prepare for the demographic shift that will occur in 2021 as Sam has shown us in the data?
