In recognition of their outstanding scholarly achievement, the Dean and Faculty of the Kimmel School wish to congratulate the following students who have been placed on the Dean’s list. This is a significant accomplishment in the academic life of a student.

To qualify for the Dean’s List, a student must achieve at least a 3.5 grade-point average out of a possible 4.0 on a regular semester’s work.

We congratulate these student-scholars on achieving this academic distinction.
