Directions for the Modern Foreign Language Competency Assessment

If you took Spanish or French in high school, it is highly recommended you take the Modern Foreign Language Competency Assessment. You may need to complete foreign language classes if it is a requirement for the major you choose. Your Orientation advisor will be able to register you for the test when you have completed the following steps:

- Tuition deposit paid
- Immunizations clear
- CatWalk complete
- Registered for Orientation
- All holds cleared

When you are registered for the test, you will see the Login to Blackboard button. To access the assessment:

1. Log in to the Catamount Gateway and click the Login to Blackboard button.

2. Select PLMT097-01: Placement Test (Span/Fren).

You will have 1 hour to complete the assessment. Your orientation advisor will inform you of your results during orientation.

Thank you and welcome!
