(6 hrs)  
*Or*  
Community Health Block*  
NSG 302/305/384  
(6 hrs)  
*And*  
Upper Level Elective (2-3 hrs, if required) |

* The Community Health block includes a required precepted experience in an approved community health setting.
** The Leadership block includes a required precepted experience in an approved clinical setting.
***Students must complete 6-8 hours of upper level electives, depending on the number of transfer hours accepted by WCU.

### December Graduation

60-61 transfer hours: 8 upper level elective hours are required
62 or more transfer hours: 6 upper level elective hours are required

**Upper Level Perspective (ULP):** Western Carolina University also requires at least one of the electives to be designated as an “Upper Level Perspective” elective. This requirement is waived for a students with a prior a bachelors degree, associate of arts or an associate of science degree. An associate of applied science in Nursing does not waive this requirement. Students with a prior bachelor’s degree, associate of arts or an associate of science degree must still complete the 6-8 hour upper level elective requirement.
## School of Nursing
