

SEI Meeting Minutes - 2/24/17

- Project proposals open March 1st
 - Be sure to help out with one of the proposal workshop sessions
- Our current budget is \$101,547.46
 - After EV charging station, estimated \$90,000
- 1st Eco Talk went well
 - Had 1 person attend outside of the committee
 - In the future, members should announce the Eco Talks in their classes
 - Spread the word on social media
- Table tents are done!
 - Members are expected to pass them out around campus in NON-ARAMARK areas
- Go to <http://westerncarolina.campusdish.com/> and give Aramark feedback about being more sustainable
 - Put recycling bins in Java City and Starbucks for plastic cups and lids
- Power 90.5 radio station will start running an ad for SEI project proposals
- April 19th is WCU's Earth Day Celebration
 - Ribbon cutting of EV charging station
 - Will try to get a car company representative to give free rides in electric vehicle
- "Walk the Walk" is Earth month (April)
- Mt. Trashmore
 - On Tuck River Clean-Up day, Saturday April 8th, we will help Jeff set up Mt. Trashmore at the Catafount to promote recycling and reducing the amount of waste created at WCU
- CAT Fair
 - Tuesday, March 21st from 1:00-3:30 pm
 - SEI will have an information table set up
 - Please stop by and help man the table when you are free
- Look into volunteering with River Link organization
 - They host free rafting trips on the Upper French Broad to pull trash out of the river
