

# CRW Reservation Protocols

## COVID-19 Updates

Campus Recreation & Wellness (CRW) will be implementing the following protocols for reservation requests during the COVID-19 pandemic. These protocols are subject to change per university, local, state and national guidelines and these protocols supersede normal reservation protocols. (Ex: Non-affiliated groups cannot reserve during the COVID-19 pandemic but could prior to the pandemic).

- Capacity levels will be enforced in the following reservation locations and reservations will be denied if the capacity level exceeds the below amounts.
  - CRC 108 Conference Room: Capacity 5
  - CRC 110 Meeting Room: Capacity 10
  - CRC Studio 1 and 2: Capacity 10 (per studio)
- The CRC Courts #1 and #2 will not be available for reservation due to the setup of a satellite fitness area. Reid Pool will be available for academic class reservations, but will not be available for other reservation requests.
- The CRW Fields #1-#3 are available for reservations, but groups must follow all policies, guidelines and precautions in place by WCU and CRW. Capacity levels will follow the state mandates on mass gatherings. (I.E. As of 6/18/20 the mass gathering limit is 25 people).
- Reservations for non-affiliated groups are suspended until further notice.
- Reservations are expected to follow all policies, guidelines and precautions in place by WCU and CRW. These include, but are not limited to, the 3 W's:
  - Wear a face covering
  - Wait 6 feet between people
  - Wash hands frequently
- CRW will follow the cleaning schedule below for each space. Additional cleaning supplies will be available for groups to use while in each space.
  - CRC 108 Conference Room: One time daily on weekdays, and after each reservation
  - CRC 110 Meeting Room: One time daily on weekdays, and after each reservation
  - CRC Studio 1 and 2: Three times daily on weekdays
- To accommodate cleaning and social distancing, a 15-minute transition time will be in place between reservations. This will allow CRW staff to clean the area, and allow participants proper social distancing when entering/exiting the area.
- No personal equipment, except personal safety equipment, will be permitted in the Campus Recreation Center. Examples of personal safety equipment include, but are not limited to, weight belts, weightlifting gloves, and braces. Participants should clean personal safety equipment before and after each use.
