Every Semester:
- Meet with your advisor regularly
- Maintain at least 15 hours of course work
- Visit the Writing and Learning Commons and Mathematics Tutoring Center
- Volunteer with the Center for Service Learning and achieve the Lily Community Engagement Award
- Meet with a career counselor to revise your career plan
- Get involved and participate in campus activities
- Finish each semester in good academic standing

Summer Options:
- Consider summer classes as an intentional part of your 4-year plan
- Find a summer job related to your major
- Find and establish a for-credit internship
- Complete a local or international service or study abroad experience

First Year: 0-30 hours
- Talk with parents, friends, professors, and career counselors about your career plans
- Participate in the First-Year Day of Service
- Attend the Student Employment Fair and get a job on campus
- Declare your major (if not already declared)
- Visit the Office of International Programs and Services to discuss study abroad opportunities

Sophomore Year: 31-60 hours
- Declare your major (if not already declared)
- Conduct interviews with people in your chosen career field
- Identify a study abroad program and apply
- Join the club sponsored by your major

Junior Year: 61-90 hours
- Seek a position of leadership in a student club or organization
- Schedule an appointment with a career counselor to have your résumé and cover letter critiqued
- Attend a Career Fair or etiquette event
- Study abroad
- Apply for an internship: test your career choice through hands-on experience
- Research graduate schools and prepare for entrance exams

Senior Year: 91-120 hours
- Register for graduation in your academic department
- Schedule an appointment with a career counselor to have your résumé and cover letter critiqued
- Attend a Career Fair or etiquette event
- Develop a list of targeted employers and send out résumés and cover letters
- Begin interviewing with employers or go for a second interview
- Take graduate school entrance exams and send out graduate school applications
- Secure a job or admission to graduate school
- GRADUATE!
Office of Student Transitions: Aims to foster a holistic approach that will empower students to succeed as they transition to college life and discover a passion for learning.
