# SPRING 2018 HEALTHY MINDS STUDY RESULTS

A big thank you to everyone who participated in the study - a total of 1,678 students completed the survey. Here are some of the key results and how Counseling & Psychological Services (CAPS) will use this data.

#### WHAT DOES THIS MEAN?

Anxiety and depression are the two most common reasons students seek services at CAPS. The Healthy Minds results mirror this and indicate that student concerns about eating disorders are as prevalent as their concerns about depression.

#### WHAT NEXT?

CAPS will ensure students have access to appropriate eating disorders resources and will create a self-help video on improving body image.

## PROFESSIONAL DEVELOPMENT ON THE GO

Leadership is not  
about titles,  
positions or  
flowcharts. It is  
about one life  
influencing another.
