Beginning in August 2017, resident undergraduate tuition is frozen for students who remain continuously enrolled for eight semesters.

In the year ended June 30, 2020, Western Carolina University received approximately \$137 million in appropriations from the North Carolina General Assembly, providing an additional \$14,180 towards the total cost of education for each resident student.

***The reduced tuition is a result of the NC Promise Program, which was established by the North Carolina General Assembly. This program is expected to provide an additional \$36 million in state appropriations to WCU in FY 2021-22 to support the significant reduction in cost to students.**
