Note about MATH 130 for students with a placement score of 5: Students in these cells should be placed into MATH 130 with caution; if MATH 130 is not required, consider MATH 101 or MATH 170 as an alternative, as average course grades for 101 and 170 are higher for students in these cells.

Note: A student with a score of 2 for Advanced Placement Calculus AB will place into MATH 153.
