

LILY AWARD PATH

Required vs. Optional Categories

Every student who earns the Lily Award must complete the Direct Service category with 15 items and 1 cumulative reflection on their experiences. Additionally, they must complete at least 2 of the 3 optional categories in order to earn the award.

Lily Award with Distinction

Students are eligible to earn the Lily Award with Distinction. Once they have completed at least 80% of the traditional Lily Award, they have the option to be added into separate path on Engage that includes details regarding the capstone project.

SLC Designated Courses Info

Students self-report on Engage that they took/are taking an SLC designated course. Once it is confirmed by CCESL staff that the student received a passing grade in the course, the item will be marked as complete on Engage.
