

CEAP ASSESSMENT DAY

February 1, 2019

*How do we define success?
Are CEAP students successful?
How do we use data to improve outcomes?*

Intended Assessment Day Outcomes

1. Faculty and staff had dedicated time to collaboratively investigate student learning and operational effectiveness within CEAP programs and units. They engaged in review, analysis, and reflection on data collected in 2018.
2. Faculty and staff are aware of, understand, and have the needed support to meet WCU and CEAP assessment processes, products, and timelines.
