

## CEAP ASSESSMENT DAY

January 31, 2020

*How do we define success?  
Are CEAP students successful?  
How do we use data to improve outcomes?*

### **Assessment Day Goals**

1. Faculty and staff have dedicated time to collaboratively investigate student learning and operational effectiveness within CEAP programs and units. They engage in review, analysis, and reflection on data collected in 2019.
2. Faculty and staff are aware of, understand, and have the needed support to meet WCU and CEAP assessment processes, products, and timelines.
