## GENERAL ELECTIVES (GE)

The B.S.Ed. in secondary English Education, as a dual-degree earning program, requires a coordinating major with another concentration in English. This coordinating major is typically the E.S.P. (English Studies Pedagogy). **NOTE:** Total hours depend strongly upon electives and the extent to which you "double dip" with liberal studies requirements. To graduate, a student must complete at least **120 total credit hours**.

Remember to keep count of your hours and to take enough courses to be sure they will eventually come out to 120 or more. Do not rely on your advisor to remind you of this: take responsibility for it yourself.
